We are proud to be partnering with Business Benchmark Group to present to you our workshop "Staying Ahead of the Pack: On-the-spot learnings you can apply today".

This workshop is specifically designed for tradie business owners at all stages, to provide guidance in setting milestones, monitoring progress, and achieving actual results for sustainable, ongoing growth.

The demands on small business owners are ever-increasing. From managing product demands and logistical challenges to navigating wage expenses and rising business costs, the pressure can be overwhelming. That's why we've partnered with a trusted authority in guiding trades and construction business owners to create a more profitable and resilient business.

Business Benchmark Group, a renowned expert who has guided numerous tradie business owners in building successful and sustainable ventures, will be sharing their invaluable expertise. Learn how to navigate the current inflationary economy and establish a benchmark business while your competitors struggle to keep up.

Don't miss out on this opportunity to gain insights, strategies, and practical advice that can take your business to new heights. Stefan's no-nonsense, honest, and straight-to-the-point advice will provide instant learnings you can take away and implement easily and immediately.

Get ready to learn:

- ✓ The 3 most important 'growth-hack' activities in your business for 2024
- ✓ Which of your jobs are profitable and how to win more of them
- ✓ How to get off the tools so you can work on growing your business
- ✓ How to recruit and lead the team you need to get off the tools

Who should attend

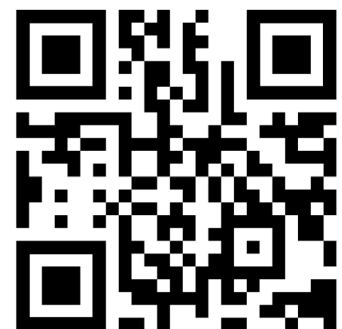

Business owners of trades and construction businesses with 2 or more full-time employees on the team.
